Scout Group which is managed by a trustee board registered with the charity commission and its primary purpose is to help young people to learn life skills and to learn how to work as a team and help one another, the skills they learn will help them in their adult life and possibly pass on what they have learned to the younger generation. Scouting gives the young people the tools to be respectful in life and also builds their confidence with dealing with situations that others may find frightening, The purpose of scouting is to provide young people with knowledge of how to fend for themselves in harsh environments from setting up camps to map reading and first aid.

Would you be on a position to help us purchase a cooker for our kitchen in the scout hall our one has been condemned and we are in desperate need of a new one.
---

The cooker plays a vital role within our scout group where the young people make various different types of foods to cook and take home the excitement on their faces when they see the finished product is priceless.
--

Our group has grown significantly this last year with the introduction of a squirrel drey of 4 to 6 years of age and cooking for them means that they enjoy coming to scouts.

<b>How much are you seeking to raise and How much are you asking for from Llangyfelach Community Council?</b>

-----------------

We have priced up a cooker from AO.com and it comes to £449.

**How will the Community directly benefit from**

The cooker would also benefit the Community as well as when we have now secured our area and we have offered the use of our facilities to Llangyfelach school free of charge, which they are only too pleased to accept.

The gardening club will also be using our facilities and again the cooker would also help them if they want to make jams and preserves.

Also it will be a great help during the Christmas fete, as Julie from the corner shop would use it when she does her tasty turkey rolls.

I have supplied a price and photo of the cooker we would like to purchase if you could help us with any amount towards us purchasing it would be greatly received.
